

# NI NEU

This shawl/scarf is more of a recipe than a pattern, I love free style knitting but sometimes I take notes! This shawl/scarf is one of those take-anywhere projects, a veritable no-brainer, just to relax away.

It's called Ni Neu, which roughly translates as Me Myself in basque.

**Yarn:** Any sport yarn will do. You'll need 300ms/100gr of two colors. The ones used in the pattern are some limited natural Dyes of my own, the base is a natural merino/bamboo (80-20) mix, 1 skein in ecru and the pink one is an elderberry dye. *Color A (Elderberry), Color B (ecru).*

**Needles:** 4mm Hiya-Hiya Sharps.

**Stiches:** Knit stitch, KFB (Knit front and back increase), K2tog (Knit 2 stitches together decrease).
